With respect to Email address information
Email address information is only collected when a user communicates with us via email or when the user volunteers this information, such as in a survey and/or registration on the site. If you do not want to receive information from us via email, please let us know by emailing any one of our offices at the addresses shown above.

With respect to Telephone Number Information
Persons who supply us with their telephone numbers on-line will only receive telephone contact from us with information regarding orders they have placed on-line.

With respect to cookies
We use cookies to store visitors' preferences and record past activity at a site in order to provide better service when visitors return to our site.

With respect to security
We always use industry-standard encryption technologies when transferring and receiving customer data exchanged with our site. When we transfer and receive certain types of sensitive data such as financial information, we redirect visitors to a secure server for handling by our third party PCI compliance merchant services company. We have appropriate security measures in place in our physical facilities to protect against the loss, misuse or alteration of information that we have collected from you at our site.

With respect to Ad Servers
We do not partner with or have special relationships with any ad server companies.

Upon request we provide site visitors with access to information [including proprietary information] that we maintain about them, including

- transaction information (e.g., dates on which customers made purchases, amounts and types of purchases)
• communications that the customer/visitor has directed to our site (e.g., e-mails, customer inquiries)
• contact information (e.g., name, address, phone number)

Upon request we offer customers the ability to have inaccuracies corrected in contact information, financial information, unique identifiers, transaction information, communications that the customer/visitor has directed to the site. Customers can have this information corrected by contacting us at the provided email address for instructions on how to correct this information.

From time to time, we may use customer information for new, unanticipated uses not previously disclosed in our privacy notice. If our information practices change at some time in the future we will post the policy changes to our Web site to notify you of these changes and provide you with the ability to opt out of these new uses. If you are concerned about how your information is used, please contact our customer service by email.

If you feel that this site is not following its stated information policy, please contact us at the above emails, addresses or telephone numbers.

Site Security
VERSO, Inc. uses industry-standard SSL encryption technologies when transferring and receiving confidential information (e.g. credit card details and personal information). The pages on which this information is exchanged are hosted on a secure server, certificated by VeriSign.

VERSO, Inc. also has appropriate security measures in place in their physical facilities to protect against the loss, misuse or alteration of information they have collected from this website.

Orders
To subscribe to VERSO, we request information from you on our online order form. In this case, you must provide contact information (including name and address) and financial information (including credit card number, expiration date). This information is used for billing purposes and to fill your orders. If we have trouble processing an order, we may use a portion of this information to contact you.
